

## ALL THE LOVE IN THE WORLD

The Corrs

ref.

(Don't wanna wake...) Don't wanna wake up alone anymore  
Still believing you'll walk through my door  
All I need is to know it's for sure  
Then I'll give... all the love in the world

1. I'm not looking for someone to talk to  
I've got my friend, I'm more than OK.  
I've got more than a girl could wish for  
I live my dreams but it's not all they say  
Still I believe (I'm missing) I'm missing something real  
I need someone who really sees me...

ref.

(Don't wanna wake...) Don't wanna wake up alone anymore  
Still believing you'll walk trough my door  
All I need is to know it's for sure  
Then I'll give... all the love in the world

2. I've often wondered if love's an illusion  
Just to get you through the loneliest days  
I can't criticise it  
I have no hesitation  
My imagination just stole me away  
(Still...) Still I believe  
(I'm missing) I'm missing something real  
I need someone who really sees me...

ref.

3. Love's for a lifetime not for a moment  
So how could I throw it away  
Yeah I'm only human  
And nights grow colder  
With no-one love me that way  
Yeah I need someone who really sees me...

ref.

(Don't wanna wake...) And I won't wake up alone anymore  
Still believing you'll walk through my door  
You'll reach for me and I'll know it's for sure  
Then I'll give all the love in the world  
(Don't wanna wake up alone anymore...)
